Dear Parents,

New Mexico Standards Based Assessment (SBA) Science and Partnership for Assessment of Readiness for College and Careers (PARCC) results for the assessment taken Spring 2018 have been issued to students.

Please note that SBA results are accompanied by a letter to parents and PARCC results contain information for parents within that document. Please ensure that you request these assessments from your child and review them. If you would like to speak with me regarding these results, please contact me.

I wish to thank you for your continued support.

Sincerely,

Dan Padilla,
Gallina Elementary, Coronado Middle and High School Principal
